

1. Go to www.RamHouston.net.

Scroll down and click **Mathlete Challenge**.

2. When you are in Mathlete Challenge, click the challenge you plan to work on. For example: **Mathlete Challenge 4th Grade 1**.

Mathlete is a program designed to enhance your journey through mathematics. Be prepared to face challenging problems that require thinking!

When you complete each Mathlete challenge, you will receive points to exchange for rewards with R.A.M.!

How to take RAM Mathlete Challenges?

Method 1 - Create your own account.

(1) Create your RAM account. You need a personal email. (2) Activate your account. (3) Log in your RAM account.

Method 2 - Download the PDF, print it out, and send the pictures of the completed worksheets to RAMHoustonReg@gmail.com.

Method 3 - Only for Testing - No points will be given to you:

Log in as "ramuser1", using password "ramuser1" to try out RAM Mathlete Challenges.

Challenge 1

Get one point for each problem completed by April 11th, 2020.

Mathlete Challenge 4th Grade 1

Mathlete Challenge 5th Grade 1

3. You need to log in as a user to take the challenge problems.

Click **Continue**.

The page shows a 'Confirm' message: 'Sorry, guests cannot see or attempt quizzes. Would you like to log in now with a full user account?' There are 'Continue' and 'Cancel' buttons.

4. For the first-time user, click **Create new account**.

For the returning user, click **Log in**.

The login page has fields for 'Username' and 'Password', a 'Remember username' checkbox, and 'Log in' and 'Log in as a guest' buttons. Below the login section, there is a 'Create new account' button circled in red.

5. Complete the form and you need a personal email.

Click **Create my own account**.
